CROSSCARE Christmas Food Appeal

We are once again seeking support for a Parish Food Appeal to support the work of Crosscare Foodbanks.

We are asking everyone who can afford it to bring non-perishable food items to Mass **next weekend and the following weekend only**. This will allow them to distribute hampers in good time for Christmas to the many families in our community who need them. Your donations will be passed on to the Crosscare Outreach Centre in Jobstown for distribution. Types of food urgently needed include soups, tinned meats, seasonal biscuits, tinned veg./fruit, tea/coffee, pasta, rice, sugar, powdered milk, festive foods, etc. Hygiene products, shampoo, etc. are also very welcome. Crosscare work with many individuals and families who are struggling to make ends meet. The Food Banks provide essential food and household items. Please support if you can.

Thank you.

Family Mass

Our monthly Family Mass will be celebrated next **Sunday, 1st December, at 12.30**. Families with children are especially welcome.

Trócaire

In the coming weeks a Trocaire team - in blue teeshirts and jackets - may call to your home inviting monthly donations. These funds allow Trócaire to respond to the needs of people in crisis around the world. We are called as Christians to share what we can to help our brothers and sisters in need. So, if you can, we would invite you to please support this worthy cause with a monthly donation of whatever you can afford. Every single euro counts and your help is greatly appreciated. P.S. if you would like to contact Trócaire directly on any matter related to this initiative, you can contact Louise Walker or Ali Lynch on 01-6293333 or louise.walker@Trocaire.org or ali.lynch@Trocaire.org

Introduction of Envelopes for the 1st and 2nd Collections

Dear Parishioners,
We'd like to take this opportunity to thank all who contribute so generously to our Family Offering collection, through the weekly envelope or by Standing Order. However, rising costs involved in the day to day running of our parish buildings, from essential maintenance to heating and electricity, is a huge drain on our resources. With this in mind, we hope to introduce an envelope system for the First Collection, which is for the priests of the diocese, and the Share collection, which supports struggling parishes. This new envelope system has been introduced successfully in a number of parishes.

How will this new envelope system help OUR parish?

As you may be aware, a Tax Relief system exists for those who contribute €250 or more to a charity. As we are a registered charity we are allowed to claim, with the permission of the donor, an additional sum which can amount to as much as 45% of the donation from Revenue. There is no loss or cost incurred by any person who is willing to do this and **confidentiality is assured in all aspects of this process.**

For a person who contributes €250, through **any or all** envelope collections, in a tax year, it is possible to receive an additional €112. By agreeing to take a box of envelopes for each of our Sunday collections it gives the parish the opportunity to generate extra income.

What do I do to avail of the envelope system?

This is a voluntary system which you may or may not wish to opt into. To opt out there is no need to do anything. It just means we cannot factor your donations into the scheme to generate extra revenue for the parish but we still appreciate and thank you for your contributions.

Should you choose to opt in to the new envelope system **please complete the form which will be handed out after Mass** and drop it into the parish office or to one of the priests and we will have the boxes ready to collect in due course. Each envelope will be clearly marked for each collection and will have a no. unique to you and your family's donation. A finance team member will speak at Mass about the proposed introduction.

***Please note the envelope system for 1st/2nd collections at Mass is only suitable for current taxpayers.**
