A book of thoughts and poems, written by Joe Cannon is on sale in the parish office. Joe, who lives in Springfield, spent some time in The Rehabilitation Hospital in Dún Laoighaire, following a serious illness. Joe was determined to get back to writing as soon as he got some power back in his hands and fingers. He has come out the other side of a serious illness and intends to live life to the full. **The cost of the book is €10 and proceeds from the sale of the book will be divided between St. Mark's Parish and Spinal Injuries Ireland.**

CALCUTTA 2020

Norah Merriman will be making her annual trip, with a small group, to Calcutta on **February 16th** to try to continue the work of getting children off the streets and on to education. Norah has been travelling to Calcutta for many years now and the people of St. Mark's Parish have been extremely generous during that time. This has enabled improvements to be made in the lives of many children and also some destitute people in need of operations. All money raised goes directly to the most needy, there are no administration costs and the group pay all their own expenses. If you would like to give a donation, no matter how small, please give it directly to Norah or drop it into the office over the coming weeks. **Thank you.**

The Deep End - The Lamb of God

In today's Gospel, John the Baptist is inviting us to *look* at Jesus. He calls Jesus the '*lamb of God who takes away the sins of the world*'. We say these words often at Mass and today we are invited to meditate on them more closely. What does it mean? In Jesus' time, two lambs were sacrificed in the Temple in Jerusalem each day. It was a ritual that invoked purity. Jesus will preach a love that is radical for many, in a world that was, and still is, broken. John refers to Jesus as the *lamb* as he knows that if one loves in such a way, they will suffer at the hands of unjust systems and institutions.

When we look at the 'sins' of our world today - broken relationships, crisis, can we also see those who, like Jesus, 'take away' the sins of the world? Christ's love was not passive, he actively challenged systems that were oppressive and which prevented people from living life to the full. Whether it be the climate crisis or the homelessness crisis or any number of issues we face, *look* where Jesus walks and is actively working to ease this suffering. When we hear these words at Mass, let us be reminded of all those who sacrifice much to ease the sufferings of others. This is Christ, the 'lamb of God' active in our world today.

'The descent into the waters of our spirit, is a journey into the presence of divinity ... all human beings are children of God but not all live in the awareness that there is 'that of God' within them'.
